

Hunt Chapter 25

We will explore much of Chapter 25 through group presentations. In groups of not less than 3 or more than 4 students, prepare an interesting multimedia presentation that teaches the major points of your assigned topic. Your presentation may not exceed 10 minutes and must include an interactive handout. Include images and sound (when available) and minimal text. All handouts will be included in notebook. Refer to suggested references on pages 999 and 1000.
